

LUGODA
Fire Safety Solutions

Company Profile

Introduction

Lugoda Industrial Services & Supplies Limited is a leading provider of comprehensive fire safety solutions dedicated to protecting lives, property, and the environment. With a commitment to excellence, innovation, and compliance, we specialize in offering state-of-the-art fire prevention, detection, and suppression systems tailored to meet the unique needs of residential, commercial, and industrial clients.

Our services encompass everything from fire risk assessments, designs, supplies and equipment/system installations to maintenance and emergency response training, ensuring seamless protection at every level. At Lugoda, safety is our priority, and we are committed to deliver solutions that meet and or exceed industry standards, providing peace of mind and fostering a culture of preparedness in every community we serve.

Vision

To be the leading provider of innovative fire protection and safety solutions in East Africa and beyond, ensuring safer environments for industries, businesses, and communities, while setting the standard for reliability, sustainability, and excellence in fire protection systems

Mission

To safeguard lives, property, businesses and the environment by delivering high quality, reliable fire protection solutions. We are committed to providing innovative fire protection systems, excellent service and expert consultancy to ensure the safety of the communities that we serve.

Our Objectives

Protect Property

01

Fire safety also aims to protect properties, both tangible and intangible. This includes buildings, equipment, materials, documents, data and information, among others.

Fire Prevention

02

Fire prevention is an important part of fire safety. This includes measures to reduce the risk of fire, such as installing fire detection and alarm systems, fire suppression systems, safe electrical and mechanical systems, and adopting safe workplace practices.

Limit Damage

03

In the event of a fire, the goal of fire safety is to limit the damage caused by fire. This includes containing the fire to a specific location, limiting damage to equipment and materials, and reducing the time required to recover operations.

With over a decade of expertise, Lugoda Industrial Services and Supplies Limited (formerly, Lugoda Fire Master (2001) has established itself as a trusted leader in fire safety and solutions. We specialize in conducting comprehensive fire risk assessments, designing tailored safety systems, and supplying and installing advanced fire protection equipment and alarm systems.

Our services go beyond installation, offering reliable maintenance and servicing to ensure systems remain fully operational and compliant with safety regulations. Additionally, we provide professional fire safety training, equipping individuals and teams with the knowledge and skills to prevent, respond to, and manage fire related emergencies effectively. Our products and services include car and portable fire extinguishers, fire alarms, smoke detectors, CO2 and Clean Agents fire suppressions systems, fire extinguishing agents, water based fire suppression systems, fire cabinets, pumps and fire- fighting equipment, fire hoses and more sourced from trusted manufacturers such as Lifeco, NAFFCO, Eaton and C-Tec.

Driven by a commitment to excellence and innovation, Lugoda serves clients across residential, commercial, and industrial sectors, delivering end-to-end solutions that prioritize safety and compliance. For over a decade, we have been dedicated to creating safer environments, protecting lives, and safeguarding assets through our comprehensive fire safety services.

Organization Governance and Leadership

The Board of Directors of Lugoda Industrial Services & Supplies Ltd is responsible for steering the company's strategic direction, ensuring long-term sustainability, and upholding the highest standards of corporate governance. The Board provides oversight to align the company's operations with its mission of delivering high quality, reliable fire protection solutions to safeguard lives, property, businesses and the environment.

The Management Team is accountable for implementing the Board's vision through effective leadership, operational efficiency, and customer-focused service delivery. They ensure compliance with safety regulations, monitor performance, and foster a culture of innovation and continuous improvement. Together, the Board and Management maintain transparency, accountability, and integrity, building trust with stakeholders and reinforcing the company's reputation as a leader in fire safety and protection.

F.I.R.E

Focus on Safety: Safety is our top priority. We are committed to protecting lives and property through adherence to safety standards and constant attention to detail.

Integrity : We conduct our business with fairness, honesty, transparency and accountability; building trust with our clients, partners and communities.

Responsiveness: We respond quickly and effectively to emergencies, client needs and changes in technology; ensuring our reliability and clients' peace of mind.

Excellence: We aim at achieving the highest standards of customer service, equipment and training; continuously improving to exceed customer expectations and deliver excellent outcomes.

Our Core Values

Our Product and Service Portfolio

01 Site Inspection

Why Choose Us

01

Expertise and Experience

With years of experience in the industry, our team of professionals possesses the expertise to recommend the most suitable fire fighting equipment for your specific requirements. From selecting the right products to expertly installing them, our experience sets us apart.

02

Quality Products

We take pride in offering top-quality fire fighting equipment sourced from reputable manufacturers. Our commitment to quality ensures that you receive durable, reliable, and performance-driven products that meet safety standards and regulations.

03

Cost - effective Solutions

We understand the importance of budget considerations, which is why we offer cost-effective solutions without compromising on quality. Our competitive pricing and transparent pricing ensure that you get the best value for your investment.

04

Comprehensive Services

From initial consultation to installation and ongoing maintenance, we offer end-to-end services to ensure your fire fighting equipment remains in optimal condition. Our maintenance plans are designed to keep your systems operational and compliant with regulations.

05

Compliance & Safety

Fire safety regulations are non-negotiable, and we ensure that all our products and services comply with industry standards. By choosing us, you can be rest assured that your fire fighting equipment meets the necessary safety requirements.
